Helping Church Leaders Develop
Healthy Church Growth

October 1-3, 2019 | Colorado Springs, Colorado

W E L C O M E

While The Outreach Summit is only entering its third year, already pastors and ministry leaders from across the United States are finding the short TED-talk style speakers, panels with Q & A sessions and interactive round table discussions valuable for learning more about the most-effective church growth and outreach strategies in America today.

As the popularity of the Summit grows, we would like to partner with organizations like yours to provide helpful information and resources to the Summit participants. When you partner with The Outreach Summit, you will have the opportunity to engage with over 200+ outreach-minded pastors from churches across the United States PLUS speakers and ministry leaders from the Outreach 100 Fastest-growing churches in America!

In 2019, The Outreach Summit will offer multiple sponsor opportunities onsite plus online advertising to our digital conference community to help you build brand awareness and reach more church leaders.

Join us this October in Colorado Springs, Colorado for the 2019 Outreach Summit. Please visit OutreachSummit.org to learn more or register your organization for this year's conference. Booth space is limited to the first 15 organizations - so don't wait! And please feel free to contact us for more details.

In 2019, the Outreach Summit expected attendance is 200 - 300 pastors and ministry leaders. In addition, all 100 of the 2019 Outreach Fastest-Growing Church leaders will be invited to the Outreach Gathering, an invitation-only pre-event.

In 2018 - 54 leaders from the Fastest-Growing Churches attended the Gathering and 11 of them stayed to participate and speak as part of the Outreach Summit.

Pastors from 30 states attended the 2018 Outreach Summit and an additional 80 people registered to watch select sessions online via Facebook Live. In 2019, we expect 150+ churches to be watching online either Live or via video download.

“Amazing time... one of the best conference experiences for high capacity leaders. The opportunity and space to share openly with other leaders across the country was invaluable.”
